On the Subject of My Mom

Hey, you know who else killed Julius Caesar with bombs? MY MOM!

- If the module background is not Muscle Man from the most popular TV show of all time: Regular Show, or there are no letters and symbols in their place, you are looking at a different module.
- The phrase, "My Mom" has been caesar shifted by an amount and scrambled on the 2x3 rectangular grid.
- To solve the module, correctly input the shifted phrase.
- A little tease shows that the module has three of a letter and the empty cell is always the top right cell.
- Incorrectly submit the shifted phrase and the module will strike.
